WOOD BLINDS

From North America's hardwood forests comes the classic styling of Westmont – Graber's distinctive collection of Traditions Wood Blinds. Meticulously crafted to combine nature's beauty with the added benefits of light control and privacy, Westmont adds warmth and character to any surrounding.

With a wide assortment of custom stains and paints, the Westmont wood and Crystal Lake collections seamlessly coordinate to pull together any room's décor.

Custom crafted with an authentic look of natural wood grain, the Crystal Lake collection beautifully coordinates with the natural wood offerings found in Graber's Westmont collection. Crystal Lake blinds feature durable 2" slats, are available in 14 designer paints and stains and offer an extensive selection of options and upgrades.

## **NEW!** **PureGrain™** finish

With a look reminiscent of fine hand-rubbed furniture, natural hardwood grain is beautifully enhanced by Graber's unique 3-pass process.

For over 65 years, Graber has been a name synonymous with quality window fashions. From this legacy comes Traditions™. A distinctively fashionable line of top-quality blinds, custom designed to bring lasting beauty to your home.

## SHUTTER STYLE WOOD BLINDS

With a look similar to that of shutters, the unique profile of these wood blinds creates a sense of depth and dimension. Their beveled slats virtually disappear when open and are available in a wide variety of popular paints and stains.

## WOOD BLINDS

Available in a variety of slat sizes designed to accentuate the room, the view or both, the Westmont Collection has a creative solution for virtually any window or door. Choose from a color palette which boasts 24 contemporary and traditional paints and stains.

## SPECIAL WOOD BLINDS

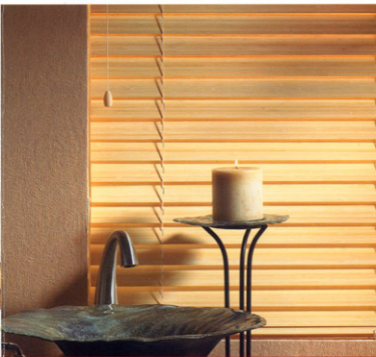

Designed to coordinate with today's most popular wood finishes, these Special wood blinds add a touch of the exotic. Choose from the casual "island" styling of *Bamboo*, the bright, contemporary feel of *Sandblast* or the striking, antiqued quality of *Distressed*.

## COLLECTION

Simulating the look of real wood, Lake Forest blinds are the affordable solution for a home's low traffic areas. This versatile collection is moisture proof, available in both 2" and 2 ½" slat sizes and features a selection of 7 popular colors.

# experience

makes all the difference

The heart and soul of the Graber difference is its commitment toward creating the "Best Experience" possible. From consultation through installation, every Graber window treatment produced brings with it the ultimate in customer service. Add to that the window fashion industry's most comprehensive warranty program and you have a great illustration of action speaking louder than words.

Our experience. Your satisfaction.  
That's the Graber difference.
